Dear Dr. Hashim:

We are pleased to acknowledge and accept with thanks the check from The Council for Tobacco Research-U.S.A., Inc. in the amount of \$500 in support of the FASEB Summer Research Conference on the "Smooth Muscle," which will be held June 19-24, 1994, at Copper Mountain, Colorado. The Federation and the societies who participate in its Conferences are appreciative of your interest in assisting us to improve scientific communication. The funds will be used by the Chair, Dr. Casey van Breemen, to cover the travel and lodging expenses for some of his invited speakers.

We extend an invitation to the scientists of your organization to apply to any of the FASEB Summer Research Conferences. In 1994 there will be twenty six conferences held under our auspices - ten in Saxtons River, Vermont; ten at Copper Mountain, Colorado; and six at our third site, the University of California at Santa Cruz.

Please express to the appropriate officials our thanks and appreciation for your generous support of this conference.

Sincerely,

Jackie Spangler
